Date: 5/12/98

Distribution: All Frameworkx Scorer Customers

Bulletin No. EB98-3

We, at Brunswick, provide customer service long after the installation is completed. Our Repair Center, Customer Response Center, and Training are available to all Brunswick customers to help them maintain their scoring system.

As part of our ongoing efforts to provide this service, we have developed a Frameworkx Troubleshooting Guide. We know how important it is to you and your bowlers that your Frameworkx scoring system continue to perform at its optimal level. We are confident that this Troubleshooting Guide will prove to be useful and help bring back your scorer to its proper operation quickly.

We ask that you give this to your mechanic to use. If you wish to purchase additional copies, contact your Direct Line Sales Representative and order part number 57-900348-000.

At Brunswick, we will continue to provide to you, information and assistance to help you keep your scoring system operating at peak performance for years to come.
