

MASSIVE DAMAGE™ - NEW

With its Rough Buff finish, the Massive Damage will rev quickly in the mid-lane with a strong continuous backend reaction that matches up on medium oil lane conditions for a wide range of bowling styles.

60-105381

LOW RG CORE

The Massive Damage features a new Low RG Performance core that revs quickly providing mid-lane control with a strong predictable backend motion.

DAMAGE™

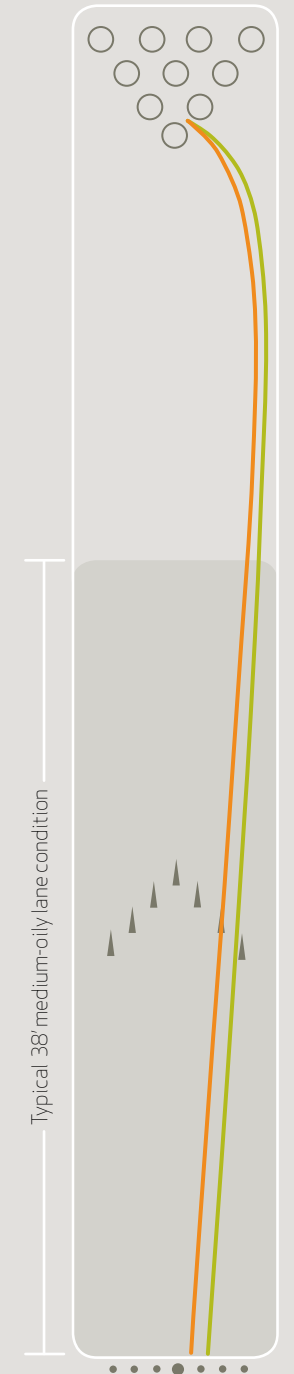

With its high gloss finish, the Damage provides excellent length with a quick response to friction at the breakpoint. With the highest rated breakpoint shape, at the Advanced Performance price point, Damage matches up on medium to dry lane conditions for a wide range of bowling styles.

60-105334

HIGH RG PERFORMANCE CORE

The Damage incorporates a new High RG performance core that provides easy length through the heads and mid-lane while maintaining axis rotation for a strong continuous backend motion.
