# MASTERMIND™ GENIUS

PP<sup>®</sup>  
Pro Performance

## COVERSTOCK

The new **Honor Roll Hybrid** reactive coverstock is Brunswick's newest creation based off our performance enhancing additive chemistry technology. **Honor Roll Hybrid** coverstock offers more length, improved versatility and stronger backend reaction when compared to the original Honor Roll Solid coverstock.

## CORE

The **Mastermind Ultra Low RG** core features a single density squared-off elliptical inner core. The core is dynamically designed to extend the rotational energy, boosting angular velocity to transfer energy to the pins for increased pin action and higher scores.

## BALL MOTION

Finished with Royal Compound polish, the **Mastermind Genius** produces easy length through heads, securing traction in the mid-lane with an unsurpassed backend flip providing an incredibly powerful ball motion on medium to heavy oil lane conditions.

## REACTION SETUP

The **Mastermind Genius** can be drilled using the standard drilling techniques developed for asymmetric core bowling balls.

## LIGHTWEIGHT ENGINEERING

At Brunswick, the unique core shape of each individual ball is used for weights from 14 to 16 pounds. This approach to lightweight ball engineering provides bowlers with consistent ball reaction characteristics across this weight range. At 12 and 13 pounds, Brunswick uses a generic core shape with a RG-differential that is close enough to the 14 to 16 pound shape so the same drilling instructions can be used.

## SPECIFICATIONS

Hook Potential	Low(10)	<input type="text" value="220"/>	High(250)
Length	Early(25)	<input type="text" value="120"/>	Long(235)
Breakpoint Shape	Smooth Arc(10)	<input type="text" value="125"/>	Angular(150)
RG Differential	Low(0)	<input type="text" value="0.052"/>	High(.060)
RG Average	Center Heavy(1)	<input type="text" value="3.7"/>	Cover Heavy(10)

- Mastermind Ultra Low RG Core
- Honor Roll Hybrid Reactive Coverstock
- 3- Color, Black, Green, Gold Hybrid
- Hardness: 73-75
- 500 Siaair Micro Pad; Royal Compound Finish
- Part No. 60-105610-93X
