The Summit in Thornton, CO, opened its doors to the public on February 12, 2019, the day after staging a VIP night where invited guests were lavishly wined, dined, and entertained before and after an elaborate Grand Opening ceremony.

Located 21 miles north/northeast of downtown Denver, the Summit Thornton is the third Summit Entertainment Center operated by Performance Entertainment Group, with two more centers operating in Colorado Springs and Windsor, CO.

The Thornton Summit facility features a variety of attractions

CENTER STAGE

including the Crossroads Tavern and Grille, a 120-seat patio with a fire pit, 24 Brunswick-equipped lanes, and two story laser tag action in a 3,500-square foot, state-of-the-art arena.

There's also a 5,000-square foot redemption video and arcade game room, and a little nightclub in the Eagles Nest VIP lounge for those 21 and over, with eight private bowling lanes, billiard tables, and private bar. Sporting events can be watched on giant screen TVs throughout the facility.

Delectable food and beverage can be enjoyed in the restaurant, lane-side, or you can simply sit at one of the bars and enjoy 24 beers on tap, specialty cocktails, or a glass of fine wine.

The Summit Thornton is the place with something for the whole family. ❖
